PRESIDENT'S CORNER...

Season Greetings to one and all. If Christmas has passed, I hope it was enjoyable. If it is yet to come, I wish you a Merry Christmas and a safe, prosperous New Year. For those of you who can't make it to the Club on a regular basis, I'm happy to report that the club is doing very well. We have had a very good year. There has been a slight down turn in business, no doubt in response to the economy and the time of the year, but, overall, participation is good. Winter is here, so we can expect a little slow down in the outdoor activities and a corresponding increase with indoor sports. The painting contract was awarded to Bellingham Painting Co., and work should begin after the Christmas holiday, weather permitting. The Board decided on some soft, "earth tone" colors, for the buildings. The color and availability of paint for the storage containers has yet to be decided. The north patio is pretty much complete. I purchased a coffee table and two end tables, but someone "moved" them from the patio. I would appreciate it if they were returned. At the last Board meeting, I made a suggestion that we look into placing this bulletin on our web page. We currently spend \$1,000 a month producing and mailing the bulletin to all the numbers. The biggest expense is postage, running about \$650 a month. I suggested that we continue to mail a bulletin to those members who do not have access to the internet. Having the bulletin online would make it accessible 24-7 and updates, and/or corrections, could be made in a timely manner. I need your input as to the feasibility of this idea, as we must get a realistic number of these folks who would like to continue receiving the Bulletin by mail in order to proceed. An online bulletin would be far more cost effective and efficient. This has been a good year, and I would like to thank all of you fine members for your time and effort. Let's all pull together and make 2009 an even better year. Please be safe and take care of one another.. Best Regards, Ron
