PRESIDENTS CORNER

The elections are over and all the new Officers and Directors have been installed. The incumbent Directors were re-elected and Dave Manoggio filled the vacant position. John Talbot is now President and Tom Frenkel is our Vice President. We had 289 ballots cast, five of which were defective and were not counted due to errors on the ballots. Bruce Elliott and crew provided food and drinks during the election, which was greatly appreciated.

The Installation Dinner was a great success! Bruce and the kitchen crew outdid themselves. The food was great and the Juniors did a fine job serving and attending to the guests. Unfortunately, Dave Manoggio couldn't make the dinner due to illness and his wife, Pricilla, is hospitalized with a blood infection. I wish them both a speedy recovery and hope to see them back at the Club soon.

We had two awards presented: Tim Acebo was honored as the Sportsman of the Year, primarily for his untiring work as the Junior High Power Coach. Ann Barbee was presented with the Life Membership Award for her many years of dedicated service to the Club.

As past president, I will remain on the Board until President Talbot is replaced, so this is my last President's Corner message. I would like to thank everyone for allowing me to act as your President for the last 2 years. I can't name all of you that volunteered your time and effort to keep the Club operating, but a big thank you goes to you all! Clearly, the Club couldn't function without the volunteers. I encourage everyone to help out as best you can, so we may continue to grow and meet the needs of the members. I can say that you have a solid group of men on the Board, and I know they are all capable and willing to represent every member fairly.

I have said in 24 previous messages, if you have any suggestions, gripes, or concerns, please contact a Board member and make your feelings known. A majority of you elected the men on the Board, but the Board represents every member. Again, I want to thank all of you for your support, and I wish you all the very best.

**Best regards,
Ron**
