THE PRESIDENT'S CORNER

The President's Day Clean-up will be Saturday May 8th 2010 from 8am to 4pm and lunch will be provided to all who participate. There are 6 different areas throughout the Club that could use your help during this time on Saturday. The following areas are listed below:

25yd -100 yd line, Bob Fahey / 200 Yd, Walt Marshall / Skeet & Trap Field, Dennis Lee /
Grounds ,John Talbot / Clubhouse, Dave Cronin / Bar, Jennifer Lee.

The weeds are growing because of the heavy rains, so don't forget the upkeep on your rental space (weeds & garbage). This must be completed by May 1st or there is a \$100. fine for anyone who doesn't comply. If you are unable to finish your area by that time, please call me @ 510-715-1759 to arrange for one of our Juniors to clean your space for up to three cuts during the year for a small fee of \$30.00 paid in advance.

The Board is also checking for current vehicle registration on all boats and cars, so please be sure to have them on display for us to see.

Ron Gunnar has proposed 2 by-law changes, so please be sure to read them and come on down to a meeting to share any thoughts and concerns you may have. These changes will be voted on Wednesday, June 9th 2010 @ the general elections.

I encourage all members and their families to come out to our club social events as this is were we get to know each other.

Proposed By-Law Amendments

SUMMARY AND JUSTIFICATION FOR PROPOSED AMMENDMENTS TO THE BY-LAWS OF THE RICHMOND ROD & GUN CLUB, INC,

- Add New Section under Article V- MEMBERS AND MEMBERSHIPS SECTION 13. CLUB BULLETIN.

The Club bulletin may include electronic versions in addition to the printed form. Mailing may also include electronic mailing. Written notification may also include electronic notification.

Justification for the proposed amendment:

The current By-Laws require certain notifications be posted in the monthly Club Bulletin, (The Sportsman) and mailed to each member. The Club currently has approximately 1,500 members. The annual cost of printing, postage and mailing services amounts to approximately \$15,000.00 per year, or \$10.00 per member per year. We currently post the Bulletin on the Richmond Rod & Gun Club web site, which costs us approximately \$65.00 per year. By only sending the Bulletin via the USPS to those members who request it we could save a substantial sum of money, which could be put to better use. A vast majority of members have access to the internet and can view the Bulletin on line at any time. Corrections to the Bulletin can be made in a timely manner on line, unlike the hard copy. There are six references in the By-Laws to the Bulletin in regards to notifications that will be covered by the proposed amendment. Anyone who wants to receive a printed copy of the Bulletin will continue to receive it. Additional copies will still be available at the bar and ranges. The exact savings are unknown, but will be established once the members are polled regarding how they would like to receive the Bulletin.

- Add New Section under Article VII-BOARD OF DIRECTORS

SECTION 6. In the event that a quorum is not met at a Membership meeting the minutes of the previous Board of Directors meeting shall be automatically approved.

Justification for the proposed change:

It is well established that attendance at membership meetings has been a problem over the years. Often it has been necessary to have members who were engaged in other activities asked to attend just to meet the requirements of a quorum. On other occasions we had to swear in new members in order to have a quorum so that we could conduct the business affairs of the Club. There always exists the possibility that a quorum may not be reached and therefore no meeting can take place. In such a situation the minutes of the previous Board of Directors meeting cannot be approved and whatever action was taken can not be completed. Past history tells us that any time there was a controversial matter, attendance at the meeting was not an issue. This proposed addition to the By-Laws is simply to insure that business affairs of the Club will not be interrupted or delayed due solely to lack of attendance.

Both of these amendments have been approved by the Board of Directors and you are encouraged to approve them.

RAFFLES

The next raffle will be at the May Cinco De Mayo Social Dinner. Thank you for all of your support, and I'll see you at the monthly club raffles/dinner. I'd like to thank everyone who came down to our Easter Childrens' Party event and participated in making it a great success. I especially would like to thank all of the volunteers (Charlie, Steve, Whip, Kelly, Sally, Sandy, Denny, Lu, and to all the others that I missed) who spent a lot of time putting on this fun event. Thank you so much!
